

CCUC (CHANGE OF CULTURE IN CATALAN UNIVERSITIES)

A little bit of our history...

We are an interuniversity research group (CCUC) constituted in May 1999. This year is our 10th Anniversary! During this period of time we have undertaken different initiatives from which we would highlight two R+D projects. The first one, from 2000-03, about the "CHANGE OF CULTURE IN CATALAN UNIVERSITIES" (MCyT BSO 2000-0066) and the second one, from 2005-08, about the "STUDY OF CHANGE PROCESSES FROM THE DIAGNOSIS OF THE UNIVERSITIES' INSTITUTIONAL CULTURE AND SOCIAL DYNAMICS" (SEJ2005-09237-C02-01).

The team counts with experienced and young research staff of different disciplines and universities, contributes to the professional development of doctoral students and has hosted visiting professors. We hold debates and reflections in our own university and in other Catalan, Spanish, European and Latinamerican institutions and disseminate our work in congresses and research journals.

At present, the group is constituted by: Dolors Bernabeu, Núria Borrell, Diego Castro, Mònica Feixas, Mariana Fuentes and Marina Tomàs (Research team coordinator).
